

We heard you are having a birthday party and inviting your closest friends to enjoy Zoo on Wheels! Zoo on Wheels animals are busy, traveling around the Delaware Valley and beyond, teaching people about animals and what we can do to protect them!

4 live animals will come to your party, including a bird, a mammal, a reptile and a surprise animal. Please choose 4 preferred animals who you would invite and we will make sure that one of your four choices makes a special appearance!

Please remember that we will make every effort to honor requests, we are rarely able to send ***all 4 invited animals***. We will always send 4 live animals and ensure that at least one of your requests is honored.

Upon request, we can do a Reptiles Rock birthday with 4 live reptiles!
