## ZOO CAMP WAY!

Parents!  
Please help young  
children read and  
understand this.

**Welcome to Summer Camp at the Philadelphia Zoo!**  
**We are so excited to meet you!**  
**You are the key to making camp fun!**

You and your fellow campers will see over 1,300 animals from around the world, meet and touch some of the zoo's animals, play animal games, make crafts, and much more!

In order to be in Philadelphia Zoo Camp, there are some things you must do. Read them below and sign your name if you understand and promise to behave in the "Philadelphia Zoo Camp Way"

- \* I will show respect for myself, zoo campers, zoo visitors, and the animals of the zoo!
- \* I will stay with my group, follow directions and Zoo rules.
- \* I will ask my counselor for help when I need it.
- \* I will not threaten or hurt fellow campers, animals, zoo staff, or visitors.

If I do not act in the "Philadelphia Zoo Camp Way," the Zoo will communicate with my parent(s) or guardian(s). If I do not follow this agreement, I understand that I could be sent home from camp early, or asked to leave the camp without a refund.
